## Additional disclosure notes\*

The following information is provided to assist the reader to understand the accounting statement and/or the Annual Governance Statement

### 1. Expenditure under S137 Local Government Act 1972 and S2 Local Government Act 2000

Section 137(1) of the 1972 Act permits the Council to spend on activities for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure. Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2020-21 was £8.32 per elector.

In 2020-21, the Council made payments totalling £ 0 under section 137. These payments are included within 'Other payments' in the Accounting Statement.

2. During the past year, Ponthir Community Council has sought to commission various works. However, due to the Covid pandemic and furlough, many businesses have not been operating as normal. This has led to a further accumulation of funds by the council, although plans are in place to spend the majority of the excessive amount in 2021/22. This was highlighted in the 2019/20 audit and the council has fully taken the advisement on board, however, although we have planned to spend the income in the last year, it has been challenging to find firms able to quote on projects. There is a forward project plan, and this is in the process of being implemented in 2021/22.

3.

\* Include here any additional disclosures the Council considers necessary to aid the reader's understanding of the accounting statement and/or the annual governance statement.

# Auditor General for Wales' Audit Certificate and report

I report in respect of my audit of the accounts under section 13 of the Act, whether any matters that come to my attention give cause for concern that relevant legislation and regulatory requirements have not been met. My audit has been conducted in accordance with guidance issued by the Auditor General for Wales.

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2021 of:

**Ponthir Community Council**

## Auditor General's report

### Audit opinion - Qualified

Except for the matters reported below in my Basis of Qualification, on the basis of my review, in my opinion no matters have come to my attention giving cause for concern that in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislation and regulatory requirements have not been met;
- is not consistent with the Council's/Committee's governance arrangements; and
- that the Council/Committee does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

### Basis of Qualification

I am unable to conclude whether or not the accounting statement has been prepared in accordance with proper practice and whether it properly presents the Council's receipts and payments and its financial position. The closing balance (lines 7 and 11) in the 2019-20 comparative accounts report a closing balance at 31 March 2020 of £25,974. However, the opening balance reported in the 2020-21 accounts (Line 1) is £26,061. As the arithmetic on the 2020-21 accounts is correct, there is an error in the accounting statement itself.

### Other matters arising and recommendations

I draw the Council's attention to the following matters arising identified during my audit and recommendations to address these issues.

### Completion of the Annual Return

The approval section of the annual return includes space for the Council to insert the minute reference under which approval of the annual return is recorded. Each year, we check that the Council has complied with the requirements of the Accounts and Audit (Wales) Regulations. The minute reference enables us to swiftly check compliance with the Regulations. The Annual Return did not include the minute reference. We recommend that for the 2021-22 annual return onwards, the Council fully completes the approval section.

### Increasing closing balances

The Council has carried forward reserves of £34,417, compared to its annual precept of £18,964. Although there has been a significant increase in 2020-21 due to COVID19, the closing balances have been steadily increasing for a number of years. The Local Government Finance Act 1992 only allows the Council to set a precept to fund planned expenditure and requires it to take its reserves into account when setting the precept. To ensure that it sets a lawful precept, we recommend that the Council reviews its reserves and its plans to apply these reserves when setting its future budgets and precepts.

There are no further matters I wish to draw to the Council's attention.
